SINCE 1926

## SAAMI BALLISTIC INSTRUMENTATION GROUP WORKSHOP

### *SAVE THE DATE*

**A 2-Day Technical Seminar and Training Course**  
**Sponsored by the Sporting Arms and Ammunition Manufacturers' Institute, Inc.**  
**PCB Piezotronics, Inc.**

**August 21 and 22, 2018    Bend, Oregon**

**OVERVIEW:** 2018 is the third annual SAAMI Ballistic Instrumentation Users' Group Workshop. The purpose of the Users' Group Workshop is to serve as a training workshop and discussion forum addressing a broad range of topics relevant to small arms ammunition ballistic laboratory/test facility operations.

**WHO SHOULD ATTEND?** The SAAMI Ballistic Instrumentation Group Workshop will be of special interest to small arms ballistic laboratory technicians, ammunition and firearm test engineers, and test facility managers, civilian, law enforcement, and military who utilize the ANSI-SAAMI standards in the manufacture or qualification of ammunition and firearms.

**ABOUT THE WORKSHOP:** The SAAMI Ballistic Instrumentation Users' Workshop will be held Tuesday, August 21<sup>st</sup> and Wednesday, August 22<sup>nd</sup> in Bend, OR. Hotel information will be provided at another date.

The workshop seminars will include:

- *Ballistic Pressure Sensor User's Training and Practical Workshop*
- *Pressure Sensor User's Practical Workshop to be hosted by Nosler Inc. at their factory ballistic lab*
- *More information to follow*
